About Hidden Trails

Explore the World on & with Hidden Trails

Hidden Trails is owned and operated by nature enthusiasts who love the outdoors and adventure activities. We have been involved with outdoor vacations for over 20 years. We have collected the best outdoor vacation destinations all over the world in some hidden places we would like to share with you.

These vacations are about forging rivers, biking along canals and through forests, hiking along age-old trails, gazing at beautiful vistas and encountering foreign cultures. But most of all, these trips are about getting away from the cycle of too much work and never enough free time.

Escape from the rituals, which long ago froze our nights and days into little more than routine and away from the worries of our new tense times. It is so satisfying when we take the plunge of adventure - it's unfortunate that we invent so many reasons to put aside living our dreams of adventure. It is sometimes a tangled web that we weave through life. Some of the threads reveal a work-a-day world of commitments, duties and obligations. Other threads are of a quiet fabric of hope, responsibility and refreshment.

On our adventures you see the real country, its back country and meet the locals. The love for the outdoors has no boundaries but possesses a common language we all speak and understand.

You will experience new countries and their customs and make new friends.

These trips have been tested by our staff or associates and received our stamp of approval. If you are considering a special outdoor vacation anywhere in the world, call us first and let our experienced consultants match the perfect trip with your dream. We will listen to you and give you objective advice to help you choose the best destination and adventure.

Your vacation is the most precious time of the year and we are committed to making it the most memorable time of your life. Wherever you go, have a great time and bring back some peace of mind.

Thank you for your continued support.

Introduction

Galicia, Spain

This Cycling Camino explores the final section of the Camino Frances / French Way by Bike, the most traditional of all the pilgrim routes to Santiago de Compostela and the best known internationally. The route, which was established in the late 11th century reaching the tomb of St James the Great, crosses the North of the Iberian Peninsula, through the Basque Country, Navarra, La Rioja, Castilla y Leon and Galicia regions of Spain. Nowadays, cycling on the Camino has become an incredibly popular way of enjoying this once-in-a-lifetime journey to Santiago de Compostela.

Starting in the mountain-hugging town of Ponferrada and finishing in Santiago de Compostela, this section covers both the Castilla y Leon and Galicia regions. Leaving the medieval city of Ponferrada behind us, this Camino crosses the magnificent O'Cebreiro Mountains before heading towards the heart of Galicia and its lush green hills.

This section can be physically demanding and requires a good level of fitness, but it is also a highly rewarding leg of the Camino, offering beautiful landscapes and numerous cultural sights.

Itinerary

Sample Itinerary - subject to changes

Day 1: Ponferrada

Ponferrada is a lively city with a pretty, medieval town center, that sits below a castle built by the Knights of Templar. The old part of the city is a pretty pedestrian area where tourists and local people like to chill out on the terraces of Plaza del Ayuntamiento and Plaza de la Encina.

Meals included: none

Overnight in Ponferrada

Day 2: Ponferrada to Villafranca del Bierzo

The first cycling day of this section is also the only full day that you will spend in the province of Castilla y Leon, cycling through the valley of Bierzo, surrounded by mountains. You then spend the last few kilometers passing through red earth vineyards until you reach the charming Villafranca del Bierzo. This first day is of a short length and with no particular difficulty, so it enables you to warm up before the more difficult day tomorrow. Because of this, you can take it easy with the cycling and enjoy the lively buzz of Villafranca del Bierzo later on!

By bike: approximately 23 kms. / Ascent: 150 m / Descent: 120 m

Meals included: Breakfast

Overnight in Villafranca del Bierzo

Day 3: Villafranca del Bierzo to O'Cebreiro

Today will be a challenging day with an ascent of 1000m. Passing firstly through the narrow valley of the river Valcace before tackling the ascent to O Cebreiro. Situated between the ranges of "Los Ancares" and "La Sierra do Courel", this stage involves a steep climb over only a few kilometers. Take your time, we have designed this cycling day to be short, taking its difficulty into consideration. So, enjoy the magnificent scenery as you ascend higher and higher throughout the day, and say hello to Galicia as you arrive in O'Cebreiro!

By bike: approximately 33 kms. / Ascent: 1000 m / Descent: 300 m

Meals included: Breakfast

Overnight in O Cebreiro

Day 4: O'Cebreiro to Sarria

As we continue across the undulating terrain of the Galician mountains, the route offers more stunning sights and historical buildings. Finally, we reach Sarria, where all pilgrims travelling by any means seem to know each other!

By bike: approximately 43 kms. / Ascent: 400 m / Descent: 950 m

Meals included: Breakfast

Overnight in Sarria

Day 5: Sarria to Melide

This penultimate day starts with an ascent up through oak woods, passing by the Romanesque Church of Barbedelo, before cycling over the Belesar Dam in Portomarin. Continuing on the Camino Way to Melide is not too difficult – despite the typical Galician ups and downs!

By bike: approximately 73 kms. / Ascent: 800 m / Descent: 750 m

Meals included: Breakfast

Overnight in Melide

Day 6: Melide to Santiago

This is probably the most exciting day of cycling the whole Camino, as today we finally reach Santiago de Compostela! Before that, we will have to cycle the now-usual rolling hills of Galicia. The most exhilarating part of today will probably be on reaching El Monte de Gozo (Mount of Joy), where you can see the cathedral in the distance for the first time, before arriving into Santiago de Compostela!

By bike: approximately 55 kms. / Ascent: 400 m / Descent: 450 m

Meals included: Breakfast
Overnight in Santiago
