About Hidden Trails

Explore the World on & with Hidden Trails

Hidden Trails is owned and operated by nature enthusiasts who love the outdoors and adventure activities. We have been involved with outdoor vacations for over 20 years. We have collected the best outdoor vacation destinations all over the world in some hidden places we would like to share with you.

These vacations are about forging rivers, biking along canals and through forests, hiking along age-old trails, gazing at beautiful vistas and encountering foreign cultures. But most of all, these trips are about getting away from the cycle of too much work and never enough free time.

Escape from the rituals, which long ago froze our nights and days into little more than routine and away from the worries of our new tense times. It is so satisfying when we take the plunge of adventure - it's unfortunate that we invent so many reasons to put aside living our dreams of adventure. It is sometimes a tangled web that we weave through life. Some of the threads reveal a work-a-day world of commitments, duties and obligations. Other threads are of a quiet fabric of hope, responsibility and refreshment.

On our adventures you see the real country, its back country and meet the locals. The love for the outdoors has no boundaries but possesses a common language we all speak and understand.

You will experience new countries and their customs and make new friends.

These trips have been tested by our staff or associates and received our stamp of approval. If you are considering a special outdoor vacation anywhere in the world, call us first and let our experienced consultants match the perfect trip with your dream.

We will listen to you and give you objective advice to help you choose the best destination and adventure.

Your vacation is the most precious time of the year and we are committed to making it the most memorable time of your life. Wherever you go, have a great time and bring back some peace of mind.

Thank you for your continued support.
