About Hidden Trails

Explore the World on & with Hidden Trails

Hidden Trails is owned and operated by nature enthusiasts who love the outdoors and adventure activities. We have been involved with outdoor vacations for over 20 years. We have collected the best outdoor vacation destinations all over the world in some hidden places we would like to share with you.

These vacations are about forging rivers, biking along canals and through forests, hiking along age-old trails, gazing at beautiful vistas and encountering foreign cultures. But most of all, these trips are about getting away from the cycle of too much work and never enough free time.

Escape from the rituals, which long ago froze our nights and days into little more than routine and away from the worries of our new tense times. It is so satisfying when we take the plunge of adventure - it's unfortunate that we invent so many reasons to put aside living our dreams of adventure. It is sometimes a tangled web that we weave through life. Some of the threads reveal a work-a-day world of commitments, duties and obligations. Other threads are of a quiet fabric of hope, responsibility and refreshment.

On our adventures you see the real country, its back country and meet the locals. The love for the outdoors has no boundaries but possesses a common language we all speak and understand.

You will experience new countries and their customs and make new friends.

These trips have been tested by our staff or associates and received our stamp of approval. If you are considering a special outdoor vacation anywhere in the world, call us first and let our experienced consultants match the perfect trip with your dream.

We will listen to you and give you objective advice to help you choose the best destination and adventure.

Your vacation is the most precious time of the year and we are committed to making it the most memorable time of your life. Wherever you go, have a great time and bring back some peace of mind.

Thank you for your continued support.

Introduction

Highlands, Scotland

The Great Glen Way Walking Holiday is a fabulous 79 miles walking holiday in some of Scotland's most wonderful scenery.

The Great Glen Way starts in Fort William and ends in the highland capital of Inverness. You will walk through some breathtaking scenery including lochs, hills and forests. Exploring The Great Glen Way by foot means you will also enjoy glorious views over Loch Ness.

Upon leaving Fort William, you will be able to see Neptune's Staircase. This is a series of eight sea locks which are at the opening of the Caledonian Canal. Continuing along the Great Glen Way you will pass Loch Lochy and Loch Oich, before reaching the world-famous Loch Ness.

Make sure you make a stop by Castle Urquhart, which is one of the most photographed Castles overlooking Loch Ness. It is a short distance from the Trail but it is well worth the detour.

The final stage of your Great Glen Way walk is from Drumnadrochit to Inverness. This is generally easy walking through farmland and forestry which give some lovely views for short sections over Loch Ness and the mountains to the north.

Day 2: Fort William to Gairloch

The first stage offers some of the most beautiful scenery in the Scottish Highlands, including some of the most spectacular scenery in the world.

The first stage offers easy walking alongside the Caledonian Canal which shows many interesting features including Neptune's Staircase and excellent views of Ben Nevis. The route begins at the Old Fort in Fort William, under the shadow of Britain's highest mountain. From here, it skirts the shores of Loch Linnhe to join the historic Caledonian Canal at Corpach. It is then that the journey along Scotland's longest Glen and greatest geological fault begins.

Distance: 17.6 km (4-5 hours) - up/down 50 m

Meals included: Breakfast

Overnight in Gairloch

Day 3: Gairloch to Laggan

Today the route runs along the peaceful western shores of Loch Lochy. There are splendid views over the loch as you pass below towering mountains walking mainly on wide, beautiful and quiet forest tracks.

On approaching South Laggan the track starts to descend and joins a minor road at Kilfinnan. This section of the Way offers a nice walk along a wooded strip of land with the canal visible at times to the left. You walk close to the site of the Clan Battle of the Shirts in 1544.

Distance: 19 km (5 hours) - up/down 50 m

Meals included: Breakfast

Overnight in Laggan

Day 4: Laggan to Fort Augustus

Following first the old railway line, abandoned in 1946, and then a section of General Wade's Military Road, you will walk along the tranquil shores of the loch through beautiful mixed woodland where wildlife abounds. The route offers scenic sections with lovely views along Loch Oich. At historic Fort Augustus you should visit the grand, imposing Abbey, which until recently housed Benedictine monks.

Distance: 17.6 km (4 hours) - up/down 50 m

Meals included: Breakfast

Overnight in Fort Augustus

Day 5: Fort Augustus to Invermoriston

A day out walking through the pristine and beautiful ancient forests of Scotland. From Fort Augustus you start the first real climb of the week but the reward is a series of breath taking views back over the village and across Loch Ness as you follow high forest tracks to Invermoriston. As you come into the tiny village and cross the mighty river Moriston, have a look at the splendid old bridge, a Telford design.

Distance: 12.8 km (3.5 hours) - up/down 300 m

Meals included: Breakfast

Overnight in Invermoriston

Day 6: Invermoriston to Drumnadrochit

The path descends through the trees to the area of an Iron Age fort near Grottag. After one last climb the way emerges onto a single track road and crosses a moorland where pretty coloured heather abounds. You will then cross through another magnificent forest before the way starts a steep descent into Drumnadrochit.

Distance: 22.4 km (5-6 hours) - up/down 575 m

Meals included: Breakfast

Overnight in Drumnadrochit

Day 7: Drumnadrochit to Inverness

This stage is perhaps the most varied of all, with further ascent and descent and a mixture of farmland, moorland and forests offering unforgettable views back over Loch Ness and Urquhart Castle.
